Dear colleague,

Thank you for showing an interest in coming to join the team at Bradford AP Academy Central (BAPAC). At BAPAC we are committed to making a difference for the young people who are given the opportunity to benefit from our successful and well-resourced AP Academy.

The opportunity has arisen to recruit a AP and Home Engagement Manager. The post is available to start as soon as possible, dependent on resignation periods etc. The role will involve managing young people who are attending AP at a number of our preferred providers and supporting young people and families to engage with education. Within the role, you will work closely with the Senior Leadership Team to meet the needs of young people who are either in commissioned AP or are being educated at home.

The successful candidate will join a very successful and supportive staff team that have created an offer that is very successful at meeting the diverse needs of our young people. Our success is a result of hard work and commitment from all staff. Equally importantly however, is the collegiate and supportive manner in which we have evolved. Staff feel proud of the difference that we are making, because they all own a part of it.

BAPAC are part of the Exceed Academies Trust and have benefitted from the support and infrastructure that the Trust offers. This has allowed for practice to improve further and has cemented BAPACs strategic position within the local authority offer.

The deadline for applications is at 9am on Monday 27th January 2020. Shortlisting will take place following this and interviews will be held on w/c 3rd February 2020. Successful candidates are welcomed to visit BAPAC before they attend their interview. In addition, I would recommend that candidates view our website on www.bapacentral.org.uk

If you feel that you could make a positive contribution at BAPAC, please take some time to apply for the post and make a difference!

Good luck,

A handwritten signature in black ink, appearing to read 'Trevor Loft'.
