6. Names, pictures, and content

BCPRU follows a policy of seeking parents' permission before using images which show pupils on the website.

No other private information about pupils is ever published on the website such as surnames or contact details. Children will only be shown in photos where they are suitably dressed.

Personal details of children or staff, such as home addresses, telephone numbers, personal e-mail addresses, etc., will not be released via the website.

Links to external websites will be checked thoroughly before inclusion on the school website. The sites will be checked for the suitability of their content for their intended audience.

Any text written by pupils will be reviewed before inclusion to ensure that no personal details are accidentally included that could lead to the identification of the pupil, e.g. membership to after school clubs.

All written work will be reviewed to ensure that it is in no way defamatory.

Written work will be checked to ensure (as far as possible) that no copyright or intellectual property rights are infringed.

All written material will be checked for its suitability for its intended audience.
